I know you are looking for the money I promised to send you our banks and Express companies have been in so much trouble I have been afraid to send it but I think all will be well soon so I can send it within a month you may buy what sheep you want and agree to pay by 1st to 15th May and I will manage to send you the money. If you can spare Mary to go to school this summer send her and write me what money will pay her expenses, or if you want anything get it and send to me for money. do not fail to do so. Harris is in one of my stores. he does well and I think I shall bring him out. I have a great deal to do. I have built a new store at my old stand and have opened another store in which W^m Hale is my partner. business good. Ann will write a long letter. I am much obliged to Mother for her many letters. will try and answer part of them. My best love to all. think of you all every day.

Your aff^t Son Chittenden
