I shall send you by the next Steamer which leaves here the First day of October, a draft for \$1000 — probably on New York Cty to pay on your land. You ought to receive it I presume by the 27th or 28th October. I will send by the Str the First of Exch and by Overland Mail the Second so you will be sure of getting them. I did intend to write a long letter this Mail but to day do not find the time. All are well. My best Love to all. We have within 3 days subscribed \$106,000,, to (One Hund & Six Th^o Dolls) to the Patriotic Fund relief Committee.) and will get enough to make \$200,000 in this City. Who says we are not loyal this City gave \$150,000 – to Sacramento Sufferers last winter too. My Love to all. write often Your Bro Chittenden
